

## **Student Fund-Raising Activities**

The district believes that fund-raising in the community by students for school activities should be limited.

The following fund-raising activities may be approved by the principals:

1. Sale of tickets to scheduled athletic events and school dramatic and musical performances.
2. Sale of advertising space in school publications as authorized by the district.
3. An annual fund-raising activity, approved by the high school principal, and designated as a "senior project."
4. Certain fund-raising for charitable purposes or of benefit to the school or community. Examples might be American Field Service activities, the UNESCO Children's Fund or scholarships funds. However, such proposals must be individually approved by the building principal and superintendent.
