

Public Concerns and Complaints

Constructive criticism motivated by a sincere desire to improve the quality of the educational program or to equip the schools to do their tasks more effectively is welcomed by the Board of Education.

The district believes that complaints and grievances are best handled and resolved as close to their origin as possible. Therefore, the proper channeling of complaints involving instruction, discipline or learning materials will be as follows:

1. Teacher
2. Principal
3. Superintendent
4. Board of Education

Any complaint about school personnel shall always be referred back through proper administrative channels before it is presented, if appropriate, to the Board for consideration and action.
