

Public Solicitations/Advertising in Schools

The district shall cooperate with community organizations in helping them forward activities which serve to enrich the experiences of students. Such cooperation may take the forms outlined below.

1. School-related organizations

With the approval of the superintendent, these organizations may use school bulletin boards and PA systems and have the privilege of sending notices home with students regarding their activities. (Examples of organizations: PTO, Parks and Recreation Department.)

2. Youth-oriented nonprofit organizations

With the superintendent's approval, these youth-oriented non-profit organizations may use school bulletin boards to disseminate information on applying for membership, activities, schedules and events. No solicitations of money or sale of tickets will be permitted by these groups in the schools. Staff members will not be asked to distribute or collect application blanks or other forms. (Examples of organizations: Scouts, Little League, church-sponsored youth groups when the activity is open to all and nonreligious.)

3. Charity fund-raising

Fund-raising drives among students shall be limited each year by the superintendent. The superintendent shall select the appropriate charities each year.

The schools shall not provide access to students and staff, or to student and staff lists, for organizations or persons whose primary purpose is commercial.
