# Benefit Highlights

## Protecting your healthy balance with preventive care

Q

Question:

Which is better: Taking an hour or two out of your busy day to have your annual checkup—or missing hidden symptoms and paying the price in sick days, copays and missed events?

A

Answer:

Nothing makes more sense in these busy times than preventing illness before it happens. That's why your plan offers excellent benefits for preventive services.

Early detection, proper nutrition, and routine exercise are the keys to living a long and healthy life, and will also help to control long-term health care costs. Your employer encourages you to take the necessary steps—available to you right now—to ensure early detection and treatment of diseases.

**Built into your health plan are preventive benefits that cover:**

- ⌘ Bone density test.
- ⌘ Fecal occult screening.
- ⌘ Mammogram.
- ⌘ Pap smear.
- ⌘ Physical exams.
- ⌘ Prostate blood exam.
- ⌘ Well-child care.

## Save when you visit network providers

This plan offers a network of doctors and other health care professionals who have agreed to accept lower amounts than their standard charges, just for members of this plan. These lower amounts are negotiated and predetermined. That means when you see a network provider, your share of costs is based on a lower charge—so your costs are lower, too. Network providers are conveniently located in both urban and rural areas. Lower costs and convenient doctors and clinics are important ways that Meritain Health can support your efforts to stay well and have a healthy lifestyle—or to get care as simply as possible when you're sick.

Remember: if you go outside the network, you may still have benefits, but your share of costs will be higher, and the amount you pay will not be based on a lower rate.

# Benefit Highlights

## File claims quickly and easily

If you visit a provider in your network, you shouldn't need to submit a claim for services or pay at the time of your service with the exception of a copay, if applicable. Your provider will submit the claim on your behalf and you will later receive a bill for any out-of-pocket or other balances due.

If you have visited an out-of-network provider, you may need to file a claim form to ensure that the service is billed properly. Claim forms can be found online at [www.meritain.com](http://www.meritain.com) or you can obtain one from your Human Resources department. Submit the claim by fax or by mail to the fax number or mailing address listed on the claim form.

## Support for your health journey

Your employer wants you to get the best, most appropriate care, when and where you need it. That's why your plan includes the extra expertise of Meritain Health's Medical Management Program. The Medical Management nurses are like personal health consultants who can help you make decisions about certain types of care you and your doctor may be considering. Registered nurses review treatment plans, then help to assure that you get the right treatment in the right setting, when you need it.

Some of these services include:

- ⌘ Before admission to the hospital for elective or non-emergency services.
- ⌘ Within 48 hours (two working days) after an emergency or urgent hospital admission.
- ⌘ Before elective inpatient, outpatient or ambulatory surgery.
- ⌘ Before inpatient substance-abuse treatment or treatment for a mental health disorder.
- ⌘ Before entering an extended-care, rehabilitation or skilled-nursing facility.

Consult your Summary Plan Description for a complete listing of health care services that require precertification with a medical management nurse.

# Benefit Highlights

When you and your family seek health care services, you have access to Aetna's broad national provider network of health care providers and facilities. ## Locate your preferred providers

With Aetna's comprehensive provider participation, many of your preferred doctors may already be in the Aetna network. To verify whether or not a doctor or health care facility participates, visit <https://www.aetna.com/dsepublic/#/mymeritain>.

**PLAN DECLARATION**

I understand that the above elections will remain in effect until the last day of the Plan Year for which they are effective and will continue in effect indefinitely beyond that Plan Year unless I make an election change permitted under the Plan. I understand that I may change my elections during the Plan Year only if (i) I experience a "status change", as defined under the Plan, and if my change in elections is consistent with that "status change", (ii) I exercise a Special Enrollment Period Right (as described in the Notice of Special Enrollment Periods below), or (iii) I qualify (under applicable law, as determined by the Plan Administrator) to make another election change because of certain changes in cost or coverage of a benefit option, or for certain other reasons. I understand that the cost of a benefit option that I have elected under the Plan may change from one Plan Year to the next and I hereby agree that my payroll deductions will automatically change accordingly unless I submit a new Election Form during the appropriate annual election period to change or terminate that coverage. I also understand, during a Plan Year, if there is a change in the cost of a benefit option that I have elected, the Employer may automatically increase the payroll deductions, if any, I am required to make per pay period to pay for that benefit option. I understand further that, except to the extent that I am permitted to make a change under the Plan, the payroll deduction elections I have made above will continue in effect notwithstanding any changes in the features or coverage offered under the benefit options I have elected above.

I understand that my employer may modify my benefit elections if appropriate to insure that the Plan complies with the terms of the Plan and the requirements (including tax-qualification requirements) of applicable law and that, subject to the requirements of applicable law or any applicable insurance contract, my employer retains the right to amend or terminate coverage under a benefit option. Also, I understand that the employer may modify my elections for health benefit options if required to do so by a Qualified Medical Child Support Order that requires me to provide health coverage for a dependent.

**NOTICE OF SPECIAL ENROLLMENT PERIODS**

If you are declining enrollment in the Plan's health coverage options for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in the Plan's health coverage features if you or your dependents lose eligibility for that coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact your Human Resources representative.

You are enrolled in a Delta Dental PPOplus Premier plan. You and your family members may visit any licensed dentist, but will enjoy the greatest out-of-pocket savings if you see a Delta Dental PPO dentist. There are three levels of dentists to choose from.

**PPO Dentist** - Payment is based on the PPO dentist's allowable fee, or the actual fee charged, whichever is less.

**Premier Dentist** - Payment is based on the Premier Maximum Plan Allowance (MPA), or the fee actually charged, whichever is less.

**Out-of-Network Dentist** – Payment is based on the out-of-network Maximum Plan Allowance (MPA). Members are responsible for the difference between the out-of-network MPA and the full fee charged by the dentist. You will receive the best benefit by choosing a PPO dentist.

Open Enrollment applies. Members may add coverage once per year.

This is a brief description of services covered under your dental plan. Please refer to the Employee Benefit Booklet for full plan details. If differences exist between this summary and the Employee Benefit Booklet, the Employee Benefit Booklet will govern.

## A LOOK AT THE BENEFITS

**What exactly do my EyeMed benefits cover?**

If you're thinking about EyeMed, you'll want to connect with your employer to learn about the benefit options. Already a member? The easiest way to find your benefit information is to create a member account on [eyemed.com](http://eyemed.com) or grab the EyeMed Members App (App Store or Google Play).

**Does EyeMed offer any extra discounts?**

We sure do. At participating in-network providers, members get 40% off an extra pair of eyeglasses or 20% off a partial pair (lenses only or frames only).\* You also get 20% off non-prescription sunglasses and accessories, and discounts on LASIK laser vision correction. Call 1.800.988.4221 to find a LASIK location near you.

**Can I use EyeMed benefits online?**

Instantly apply your in-network benefits at checkout, with free shipping, free returns and no paperwork at these participating providers: [lenscrafters.com](http://lenscrafters.com), [targetoptical.com](http://targetoptical.com), [ray-ban.com](http://ray-ban.com), [glasses.com](http://glasses.com) and [contactsdirect.com](http://contactsdirect.com).

**Can I get the same kind of care with a retail provider as I can with an independent doctor?**

Many optometrists share space with a retail optical store, but operate a separate practice. All of them, wherever they practice, must meet the same state licensing and credentialing requirements. One advantage of using a vision carrier, like EyeMed, is that credentials of every in-network eye doctor are thoroughly examined and verified, so you can feel confident you're getting access to qualified eye doctors.

## MEMBER HOW-TO TIPS

**How do I use my benefits?**

At EyeMed, we're all about easy. Just choose an in-network eye doctor from our Enhanced Provider Search, schedule your visit and go in for care or eyewear. You don't even need your ID card – just give them your name and birthday. When you stay in-network, we'll handle all the paperwork.

**How do I find an eye doctor in my network?**

The Enhanced Provider Search on Member Portal and the EyeMed Members App has thousands of in-network eye doctors to choose from. Filter your search to find ones near you with the brands, hours and services you most want.

The EyeMed logo is displayed in white text on a green square background. The word "eye" is positioned above "Med", with the "e" in "eye" being lowercase and the "M" in "Med" being uppercase. The logo is located in the upper right corner of the page, overlapping the top of a photograph of a woman.

### How do I get on-the-go access?

The EyeMed Members App can do almost everything that Member Portal can. Find an eye doctor, set an appointment, review your benefits, check claims, find special offers, show your ID card—even store your vision prescriptions and set exam reminders. Download it through the App Store or Google Play.

### How do I submit a claim?

When you see one of our in-network eye doctors, you won't have to—we take care of all the paperwork. By the way, you'll save money by staying in-network, too. If you need an out-of-network claim form, log into your member account to find one.

### How do I get an ID card replacement or extra cards?

If you lose your card or need extras for your family, log into [eyemed.com](http://eyemed.com) to print a replacement, or use your digital ID on the app. Here's a tip: you don't even need the card when you visit your eye doctor.

## VISION AND YOUR HEALTH

### I don't wear glasses and can see fine. Do I still need an eye exam?

Getting an eye exam isn't just about needing glasses. It's also about your health. An eye exam can detect eye health problems like glaucoma or cataracts, but it can also help identify early signs of serious diseases, like high blood pressure, diabetes and high cholesterol—just to name a few.<sup>1</sup>

### How often should I get an eye exam?

Vision changes can happen slowly—you may not even notice it. Annual eye exams are a good rule of thumb unless your doctor suggests more frequent checks; we suggest making it part of your regular preventive care routine.

### At what age should my child first visit the eye doctor?

The American Optometric Association recommends a first eye exam between 6 months and 1 year of age.<sup>2</sup>The doctor may check for nearsightedness, farsightedness, astigmatism, amblyopia (or "lazy eye"), proper eye movement and eye alignment, and how the eye reacts to light and darkness. They also recommend an exam between the ages of 3 and 5, and every year after that.

### My child gets a vision screening at school, so there's no need for an eye exam, right?

A vision screening does not take the place of a comprehensive eye exam. School screenings generally check for color blindness and your child's ability to see far away. A comprehensive exam will evaluate the entire structure of the eye.

## UN VISTAZO A LOS BENEFICIOS

¿Qué cubren exactamente mis beneficios de EyeMed?

Si está considerando unirse a EyeMed, deseará comunicarse con su empleador para conocer las opciones de beneficios. ¿Ya está afiliado? La forma más fácil de encontrar información sobre sus beneficios es crear una cuenta de afiliado en [eyemed.com](http://eyemed.com) o descargar la aplicación EyeMed Members (en la App Store o Google Play).

¿Ofrece EyeMed algún descuento adicional?

Por supuesto que sí. En proveedores participantes de la red, los afiliados obtienen un 40 % de descuento en un par adicional de anteojos o un 20 % de descuento en un par parcial (solo en lentes o solo en armazones)\*. También obtendrá un 20 % de descuento en lentes de sol sin receta y en accesorios, así como descuentos en corrección de la vista con láser LASIK. Llame al 1.800.988.4221 para encontrar una ubicación LASIK cerca de usted.

¿Puedo usar los beneficios de EyeMed en línea?

Aplice al instante sus beneficios dentro de la red al momento de pagar, con envío gratis, devoluciones gratuitas y sin completar documentos en estos proveedores participantes: [lenscrafters.com](http://lenscrafters.com), [targetoptical.com](http://targetoptical.com), [ray-ban.com](http://ray-ban.com), [glasses.com](http://glasses.com) y [contactsdirect.com](http://contactsdirect.com).

¿Puedo recibir el mismo tipo de atención con un proveedor minorista que con un médico independiente?

Varios optometristas comparten su espacio con una tienda óptica minorista, pero trabajan en consultorios separados. Todos ellos, independientemente de dónde trabajen, deben cumplir los mismos requisitos para obtener la licencia y la acreditación estatales. Una de las ventajas de contar con un proveedor de la vista, como EyeMed, es que las acreditaciones de cada oftalmólogo dentro de la red se examinan y se verifican minuciosamente, por lo que puede estar seguro de que tendrá acceso a oftalmólogos calificados.

## CONSEJOS PRÁCTICOS PARA AFILIADOS

¿Cómo uso mis beneficios?

En EyeMed facilitamos todo. Simplemente elija un oftalmólogo de la red a través de nuestra búsqueda mejorada de proveedores, programe su visita y reciba la atención o los anteojos que necesita. Ni siquiera necesita su tarjeta de identificación. Solo brinde su nombre y su fecha de nacimiento. Cuando esté dentro de la red, nosotros administraremos todos los documentos.

¿Cómo encuentro un oftalmólogo en mi red?

La búsqueda mejorada de proveedores en el portal para afiliados y la aplicación EyeMed Members tiene miles de oftalmólogos dentro de la red entre los cuales elegir. Filtre su búsqueda para encontrar los más cercanos a usted según las marcas, los horarios y los servicios que desee.

The EyeMed logo is displayed in white text on a green square background. The word "eye" is in a lowercase, sans-serif font, and "Med" is in a larger, bold, uppercase, sans-serif font. A small registered trademark symbol (®) is located to the upper right of the "d".

### ¿Cómo obtengo acceso móvil?

La aplicación EyeMed Members permite hacer casi todo lo mismo que en el portal para afiliados. Encuentre un oftalmólogo, programe una cita, revise sus beneficios, revise reclamos, encuentre ofertas especiales, muestre su tarjeta de identificación e incluso guarde sus recetas de la vista y configure recordatorios de exámenes. Descárguela en la App Store o Google Play.

### ¿Cómo envío un reclamo?

Cuando vea a uno de nuestros oftalmólogos de la red, no tendrá que hacerlo. Nosotros nos encargamos de todos los documentos. Por cierto, también ahorrará dinero si permanece en la red. Si necesita un formulario de reclamo fuera de la red, inicie sesión en su cuenta de afiliado para encontrarlo.

### ¿Cómo obtengo un reemplazo de la tarjeta de identificación o una tarjeta adicional?

Si pierde su tarjeta o necesita tarjetas adicionales para su familia, inicie sesión en [eyemed.com](http://eyemed.com) para imprimir una de reemplazo o use su identificación digital en la aplicación. Un dato: no necesitará la tarjeta cuando visite a su oftalmólogo.

## LA VISTA Y SU SALUD

No uso anteojos y veo bien. ¿Aun así necesito un examen de la vista?

Hacerse un examen de la vista no solo implica la necesidad de anteojos. Se trata también de su salud. Un examen de la vista puede detectar problemas de salud visual, como glaucomas o cataratas, pero también puede ayudar a identificar los primeros signos de enfermedades graves, como la presión arterial alta, diabetes y colesterol alto, por nombrar algunas.<sup>1</sup>

¿Con qué frecuencia debo hacerme un examen de la vista?

Los cambios en la vista pueden ocurrir lentamente, tal vez incluso ni los note. Los exámenes anuales de la vista son una buena regla de oro, a menos que su médico recomiende controles con más frecuencia. Nosotros sugerimos que formen parte de su rutina de cuidado preventivo regular.

¿A qué edad debe visitar mi hijo al oftalmólogo por primera vez?

La American Optometric Association recomienda realizar un primer examen de la vista a los 6 meses de edad y al año de edad.<sup>2</sup> El médico puede controlar la miopía, la hipermetropía, el astigmatismo, la ambliopía (u "ojo vago"), el movimiento correcto del ojo y la alineación ocular, y cómo reacciona el ojo a la luz y a la oscuridad. También recomienda un examen entre los 3 y 5 años de edad y después una vez al año.

Mi hijo recibe una evaluación de la vista en la escuela, por lo tanto, no es necesario un examen de la vista. ¿verdad?

Una evaluación de la vista no reemplaza a un examen integral de la vista. Las evaluaciones escolares, por lo general, controlan el daltonismo y la capacidad de su hijo para ver de lejos. Un examen integral evaluará toda la estructura ocular.
