# COLORADO MOUNTAIN COLLEGE

LEADVILLE

Classes begin January 13th

## ESL- Applied Digital Skills

Designed to give students the English and applied digital skills they need to be successful in today's workplace. Students will learn how to communicate at work using the Google Suites applications like Gmail, Google Docs, Google Sheets, Google Forms and more. Students will leave this semester with a Google Suites Certificate to demonstrate their digital skills to employers. Class will run Wednesdays 9am to 12pm.

Contact Kelli for more information at (719) 486-4207.

**COST \$40.00**

## High School Equivalency – GED, HiSET, TASC

CMC Leadville's High School Equivalency program uses a flexible model that offers morning classes, evening classes, individualized instruction, and online support. For a non-refundable course fee of \$75.00 per semester, students can attend all sessions or choose the sessions that will work with their schedule. Class times are Monday mornings from 9:30-12:00 and Wednesday evenings from 6:30-9:00. Tutoring is available Mondays-Thursdays 10 a.m.- 8:00 p.m. in the Student Success Center and meetings with the instructor are Thursdays from 6:00-9:00 p.m. GED, HiSET, and TASC exams can all be used to earn the High School Equivalency Diploma from the Colorado Department of Education.

Contact Kelli for more information at (719) 486-4207.

**COST \$75.00**
