

## HS Finals Schedule 2020

All finals will be given virtually in the morning all week long. As a result, students can take their finals from school or home. Students will continue to have the option of coming in on their “at school” A or B day to receive in person support from their crew leader. In the afternoon, students will be allowed to stay in the building to do academic work in an assigned work space. Students will also be permitted to leave once their finals are over. Additionally, in the afternoons during finals week, all students will have the option to attend virtual office hours with their teachers.
