

# My Number Book!

Dear Parents-

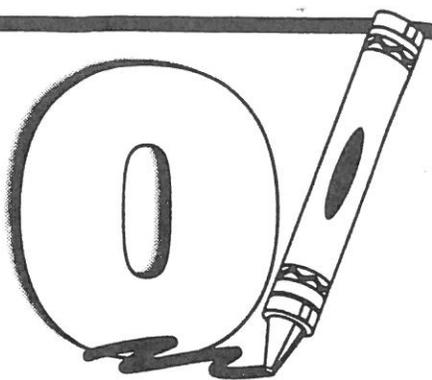

Please help your child make a book about numbers. Please help your child cut out each card and place them on top of each other. Please talk to your child about the number and word on each card. Use the enclosed stickers and help your child practice counting by putting the correct number of stickers on each card. If your child can count the numbers from 1-10, help your child practice recognizing the numbers. If your child can recognize the numbers from 1-10, mix up the cards and help your child put them in the correct order from 1-10! Call your child's teacher if you have questions. HAVE FUN!

# ¡Mi Libro de Número!

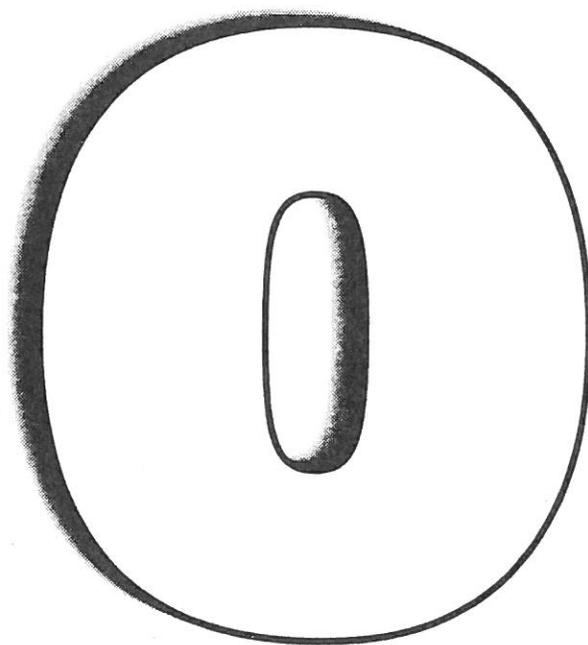

Estimados Padres-

Por favor ayude a su niño hace un libro acerca de números. Por favor ayude a su niño cortar cada tarjeta y colóquelos encima de uno al otro. Por favor hable con su niño acerca del número y la palabra en cada tarjeta. Utilice las pegatinas encerradas y ayude a su niño practicar contando poniendo el número correcto de pegatinas en cada tarjeta. Si su niño puede contar los números de 1-10, ayude a su practicar reconociendo los números. ¡Si su niño puede reconocer los números de 1-10, mezclar las tarjetas y ayudar a su niño poniendo los en la orden correcta de 1-10! Llame a la maestra de su niño si usted tiene las preguntas. ¡DIVIERTASE!

# NUMBER 0
