## SEPTEMBER

### OUR LEARNING

*The first study of the school year is called "Beginning of the Year" and it focuses just on that! We will be teaching routines of the classroom as well as expectations. These include classroom rules, how to use tools and toys appropriately and how to play nicely and cooperatively with our new friends! This is an exciting new time for them to explore a different environment, learn new things and meet new people.*

### HOME CONNECTION

*To continue the learning experience at home, please talk with your kids about what they have done at school, who did they meet, and so on and on!*
