Welcome to the month of October. Our weather will be changing soon! We will be going outside and exploring in the snow. Please bring in a winter coat, hat, gloves, and snow boots. If you need any of these items, please let us know so we can provide them for your child.

This month we will be starting The Box Study. We will be learning all different things about boxes. Things like what can we do with a box, what jobs involve boxes, how they are made and so much more! If you have any boxes laying around, please donate them to the classroom for us to use during our study. Thank you!
