Dear Families; I am so happy to see your child to come to school every day ☺ They are having so much fun at school and they are learning a lot. So thank you for sending your child at school! This month of October we are excited to start with our Boxes Study. We will introduce different topics about boxes during the month. If you have any empty boxes at home that you don't use, please send them to your school so children can use them. As you know the weather will change soon, PLEASE make sure to send your child with appropriate clothes for the weather. Thank you!!!

## OCTOBER

### OUR LEARNING

*We will learn about BOXES:*

*We will introduce to children about: What the boxes are made of? What can we do with boxes? How can we move boxes? What are the characteristics of boxes? And Which jobs involve boxes?*

### HOME CONNECTION

*Encourage your child to talk about different boxes. Be creative and build something cool with your child at home, and send it to school so your child can share with friends ☺*

Monday	Tuesday	Wednesday	Thursday	Friday
				1 <u>NO SCHOOL</u>
