Welcome to the month of November. Our class will still be exploring with Boxes. During this month we will be discussing how boxes are made and how we can move boxes. If you still have any boxes at home that you are going to throw away or don't need please donate to our school for us to use all month long for projects. The class has decided we would like to make a train and different kind of animals. Ms. Steph and I are really excited to see their imaginations grow.

Please don't forget on November 18th we will be having a Thanksgiving lunch for our class. Ms. Steph and I are so grateful to have such a wonderful class this year and getting to know your families has been making this year so amazing.

November

<u>OUR LEARNING</u>	<i>Monday</i>	<i>Tuesday</i>	<i>Wednesday</i>	<i>Thursday</i>	<i>Friday</i>
<p>This month we will be focusing on our finger grasp. We will be practicing making different kind of lines. This is going to prepare us for writing letters properly.</p> <p><u>HOME CONNECTION</u></p> <p>At home is a great place to find letters. During meal times play I-SPY with the letters of their name on food boxes at the table or while cooking. We are also working on letters sounds. Naming the first sound of what they are eating is a fun way to learn letter sounds!</p>	1	2	3 PICTURE RETAKES!	4	5 Professional Development Day School Closed

Remember!

Please remember to label everything that comes to school with your child's first and last name. Thank you, Ms. Steph and Ms. Shelby!
