Dear Families; It is always nice to see all the happy faces of your children in Room 137 😊 They are having so much fun at school and making different friends. Thank you for bringing your child to school every day! The month of November we will introduce the letters: T, I, L, and U. On Mondays we introduce the letter sound, Tuesday we model how to write the letter, Wednesday we review the letter sound/action, and Thursday we do a letter activity. Children are doing a great job making letters sounds. 😊

NOVEMBER

OUR LEARNING

We still learning about boxes and introduce letters of the month.

We will ask children what they want to know about boxes and what they want to build with them.

We also continue practicing the letters sounds and practice how to write them.

HOME CONNECTION

Encourage your child to practice the letter sounds at home and how to write the first letter of their names.
