Welcome to The Center at Lake County Elementary School! We are already in the month of December! Please remember to bring snow clothes - gloves, hat, jacket and snow boots are needed every day. If your child is in need of any clothes, please let us know as soon as possible. Please remember to label any snow clothing that gets sent to school as well!! If you have a special event or something that pertains to our current learning study, please let us know. We are always open to visitors who can share outside perspectives with our kiddos!

OUR LEARNING

For our learning curriculum we will be focusing on social/emotional. This includes identifying feelings, how they make us feel, and how we can respond.

The letters that we will be focusing on this month are C, O and QU.

HOME CONNECTION

To continue the learning experience at home, please talk with your kids about our study. Ask them what feelings they learned about each day. Also, talk about feelings that they are having at home. All feelings are ok to have, it's just how we show them and respond (example – it's ok to be mad, it's not ok to hit when we are mad).
