Great News from Rm. 133

Ms. Stephanie and Ms. Shelby

We can be reached in the classroom at 719-486-4407,
or by email at skoucherik@lakecountyschools.net and
slepore@lakecountyschools.net

Hey parents! This month we are still learning about buildings as well as starting mail month. Watch for more information! If you have something special or interesting that pertains to our current learning study, please let us know (photos, job experience, etc). Please remember to bring your child's snow clothes every day, such as a hat, snow gloves, snow pants, snow boots and a weather appropriate jacket. If your child needs any snow clothing, please let us know!! Remember to label any snow clothing that gets sent to school as well. Lastly, please send your child with a water bottle every day. Thank you!

February

OUR LEARNING

The letters that we will be focusing on this month are D,P,B and R.

During the study, we will be looking at all aspects of buildings – from the way they are built, to who builds them and what they are made of. For the Mail Celebration, kids will be sending and receiving mail.

HOME CONNECTION

There are several ways to continue the learning experience at home, such as look at buildings when you are driving around, point out different parts of buildings, how they can look different/same and even something as simple as counting the doors and windows in your house! Make it fun!

Monday	Tuesday	Wednesday	Thursday	Friday
	1	2	3	4
7 Start of Mail Month Celebration	8	9	10	11
14 Classroom Celebrations 2-3	15	16	17	18
