Happy February! This month we will focus on letters D, P, R, & B. Your child will learn the name of each letter, the sound that the letter makes, and they will practice writing these letters. Look out for a letter describing an exciting activity about "Letter Writing". The kids will discover how to write a letter and we may have the opportunity to visit the Post Office to mail it 😊

FEBRUARY

OUR LEARNING

We will continue our study of **BUILDINGS!** The kids will discover what buildings are made of, what makes our building special, and what happens inside buildings!

HOME CONNECTION

We would love your family's participation during mail month. Please help your child make a mailbox that they can bring to school and use to collect mail here at school. Families and friends are encouraged to send letters and packages to your child here at school! Questions? Ask me! 😊
