RE: *COVID Stakeholder Focus Groups, Presentation*

### TOPIC SUMMARY

#### **Background:**

As the board considers the approaches to school in light of COVID, the board would like to hear from stakeholders to better understand the different perspectives of those impacted by the district.

#### **Topic for Presentation:**

Each stakeholder group will have a designated time to share in the order of: students, community at large, parents, staff. Each stakeholder group will respond to all three questions before we move on to the next stakeholder groups. Individuals will have a maximum of 2.5 minutes to respond to the question. At 2.5 minutes of time our timekeeper will politely notify the speaker of the time expiration. We ask that the speaker conclude their sentence at that time not to exceed 3 minutes. We want to allow anyone who wishes to respond to have the opportunity, therefore we appreciate the speakers being cognizant and responsive to the time. Each individual can respond one time to each question. We anticipate significant interest in participation and therefore we will

- 1) What might we consider or know about the instructional practices
  - 2) What might we consider or know about the current health practices
- What do you believe is the most important thing we could do this semester/year?  
And how might we accomplish this?
  - What should we hear today that we might not know about if you had not joined us?

We will have Spanish interpretation happening simultaneously. Any responses/comments posed in Spanish may be asked to the interpreter (on the Spanish backchannel) and the interpreter will have to relay the comment to members of the board. We recognize this may require a little extra time.
