RE: Calendar/Leave update, Presentation

#### TOPIC SUMMARY

#### Background:

This year is the first year to enact the new "four-day" calendar. With this calendar students and staff attend school Monday through Thursday most weeks with Friday being a non-contact day. When Presidents day and MLK day were observed, school was held on the Friday of each of these weeks in place of the Monday. We saw a significant and impactful amount of absences on these dates.

In March we took a look at the number of absences of instructional staff on the Friday following the honoring of Presidents day and Martin Luther King Jr. Day. Since this presentation we have had another additional Friday of school that followed Memorial Day. Our school calendar also goes two weeks longer this year to keep the same number of student contact days.

#### **Topic for Presentation:**

Below is the information that was shared as a table with the Board in March with the addition of the Friday following Memorial Day and the last two weeks of school.

In case any officer whose signature shall appear on the District Note shall cease to be such officer before the delivery of the District Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

**Section 2.04. Early Repayment**. The Principal Amount of the District Note may be prepaid in whole or in part at any time prior to the Maturity Date.

**Section 2.05. Form of District Note**. The form of the District Note shall be substantially as set forth in Exhibit A to this Resolution, which is incorporated herein for all purposes, and the blanks in such form shall be filled in with appropriate amounts and information.

#### Section 2.06. District Disclosure.

- (a) The purpose of this Section is to provide compliance with applicable securities laws relating to disclosure of information regarding the District in connection with the execution and delivery by the State Treasurer of the Loan Program Notes and the participation in the Loan Program by the District.
- (b) The District agrees to provide to the State Treasurer demographic and financial information concerning the District relevant to the District's obligations under this Resolution, and authorizes the State Treasurer to provide such information, on behalf of the District, to such other parties as the State Treasurer deems necessary and in the best interests of the District in order to consummate the transactions contemplated herein and under the Loan Program. The District covenants that, with respect to the District's operations or description as of the Closing Date and as of the date provided, whether prior to or following the Closing Date, the information so provided will not contain any untrue statement of a material fact, and will not omit any material fact necessary to prevent such statements or information so provided, in light of the circumstances under which they are made, from being misleading.
- (c) The Authorized Officers of the District are hereby authorized and directed to certify as to the accuracy and completeness of each District Disclosure Document in the form set forth in the District's covenant in paragraph (b) of this Section.
- **Section 2.07. No Transfer of District Note**. The District Note shall be payable to and registered in the name of the State Treasurer. The District Note is not subject to transfer.
- **Section 2.08. No Joint Obligation**. The Loan Program will include the issuance of notes of other Participants in addition to the District. The obligation of the District to make payments on or in respect to its District Note does not represent a joint obligation with any other Participant and is strictly limited to the Payment Obligation under this Resolution.

#### **ARTICLE III**

#### ISSUANCE CONDITION, LOANS AND CASH FLOW REPORTING

**Section 3.01. Condition to Issuance of District Note**. Following the adoption of this Resolution and prior to any Loans being requested or made, in the event that the District is notified by the State Treasurer that the District has failed to comply with the Loan Program Statutes or any administrative rules applicable to or regarding the Loan Program, no Loans shall be made and the District Note shall have no legal effect.

**Section 3.02. Loans.** An aggregate amount up to but not exceeding the Maximum Principal Amount may be drawn upon and expended by the District from time to time to fund a General Fund cash flow deficit occurring during Fiscal Year 2021-22. The Authorized Officers are hereby authorized to certify to the State Treasurer the amount of the actual General Fund cash

flow deficit with respect to each periodic request for a Loan draw. The District hereby acknowledges that the State Treasurer will disburse funds only on each Draw Down Date upon submittal, not later than the tenth Business Day of each month, of a requisition for the following three draws in the form and in the manner prescribed by the State Treasurer pursuant to the Loan Program. The Authorized Officers are hereby authorized and directed to provide the State Treasurer with payment instructions describing how such Loan draw disbursements will be paid to the District.

#### Section 3.03. Projected Cash Flows and Ongoing Reporting.

- (a) In completing the General Fund cash flow projections attached as Exhibit B hereto, the beginning amount and the anticipated cash inflows during Fiscal Year 2021-22 include all amounts that are "available for the payment" of General Fund expenditures of the District during Fiscal Year 2021-22. Amounts held in any District funds and accounts are considered to be "available for the payment" of General Fund expenditures of the District to the extent that such amounts may be expended or used to pay such expenditure and such funds and accounts need not be reimbursed under any legislative, judicial, Board or contractual requirement. Exhibit B hereto also contains a list of funds and accounts of the District which are not "available for payment" because such funds and accounts must be reimbursed under legislative, judicial, Board or contractual requirements. In addition, expenditures from such unavailable funds and accounts are not included in the General Fund cash flow projections. The District hereby certifies that (i) in preparing the General Fund cash flow projections, the District has reviewed its General Fund cash flows for Fiscal Year 2020-21; and (ii) the District believes that the General Fund cash flow projections for Fiscal Year 2021-22 are best available estimates and are based upon reasonable assumptions.
- (b) The Authorized Officers are hereby authorized and directed to notify the State Treasurer if any information comes to the attention of either individual during Fiscal Year 2021-22 which would cause the General Fund cash flow projections to be inaccurate. Updated cash flow projections shall be provided by the District to the State Treasurer as directed by the State Treasurer.
- (c) If the Authorized Officers reasonably determine that, following the Closing Date, the Maximum Principal Amount will be greater than the amount the District reasonably expects that it will need to fund its cash flow deficits, the Authorized Officers shall promptly advise the State Treasurer of the amount by which the Maximum Principal Amount exceeds the amount the District reasonably expects that it will need from the Loan Program to fund cash flow deficits during Fiscal Year 2021-22.

#### **ARTICLE IV**

#### SECURITY FOR AND PAYMENT UNDER THE DISTRICT NOTE

**Section 4.01. Security for and Payment of the District Note**. The District Note shall be payable from and secured by a lien in the amount of the Payment Obligation on Taxes and such lien shall have priority over all other expenditures from such Taxes until the Payment Obligation shall have been paid in full. As security for the payment of the Payment Obligation, all Taxes

received by the District shall be paid to the State Treasurer within one Business Day of receipt thereof until the Payment Obligation has been paid in full.

**Section 4.02. Authority to Pledge and Assign Note Payments**. The District authorizes the State Treasurer to pledge and assign the District Note and all or any part of the District's obligations hereunder and under the District Note to secure the payment of the Loan Program Notes. No assignment or pledge under the preceding sentence shall ever be made or given in such manner as would cause the amount of the Payment Obligation to be greater, or to be payable at times that are different, than as expressly stated and agreed to herein.

**Section 4.03.** No Parity or Superior Cash Flow Obligations. Notwithstanding any other provision hereof, the District shall not issue notes or other obligations for cash flow purposes that are payable from the Taxes or Default Taxes or that are secured by a lien on the Taxes or Default Taxes that is superior to or on a parity with the lien of the District Note.

#### **ARTICLE V**

#### REPRESENTATIONS AND COVENANTS

Except as otherwise disclosed by one of the Authorized Officers to the State Treasurer as set forth in paragraph (j) of this Article, the District hereby represents and covenants as follows:

- (a) The District is a political subdivision duly organized and existing under and by virtue of the laws of the State of Colorado and has all necessary power and authority to (i) adopt the Resolution, (ii) participate in the Loan Program and (iii) issue the District Note.
- (b) Upon the issuance of the District Note, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the District Note and the performance of its obligations thereunder, and the District has full legal right, power and authority to issue and deliver the District Note.
- (c) The District will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Resolution and in the District Note. The District will promptly pay or cause to be paid the Principal Amount of and interest (if any) on the District Note when due and at the place and manner prescribed herein.
- (d) The District is duly authorized under the laws of the State of Colorado to issue the District Note; all action prerequisite to the lawful issuance and delivery of the District Note has been duly and effectively taken; and the District Note and this Resolution are and will be legal, valid and enforceable obligations of the District, enforceable against the District in accordance with their respective terms. The District elects to apply the provisions of the Supplemental Public Securities Act, Part 2 of Article 57 of Title 11, Colorado Revised Statutes, to the issuance of the District Note.
- (e) Proper officers of the District charged with the responsibility of issuing the District Note are hereby directed to make, execute and deliver certifications as to facts, estimates and circumstances in existence as of the Closing Date and stating whether there

are any facts, estimates or circumstances that would materially change the District's current expectations.

- (f) After the discovery by the District of any Event of Default or Default hereunder, the District will, as soon as possible and in any event within two Business Days after such discovery by the District, furnish to the State Treasurer a certificate of one of the Authorized Officers of the District setting forth the details of such Event of Default or Default and the action which the District proposes to take with respect thereto.
- (g) The District will deliver to the State Treasurer: (i) such financial data as the State Treasurer may reasonably request (including, without limitation, any information relating to Taxes, expenses, other revenues, available funds, tax rolls, financial statements, budget and cash flow), and (ii) if requested, copies of the District's audited year-end financial statements, budgets, official statements and similar information issued by it to the public. The District will permit the State Treasurer, or any person designated by the State Treasurer in writing, at the expense of the State Treasurer or such designated person, to examine the books and financial records of the District and make copies thereof or extracts therefrom, and to discuss the affairs, finances and accounts of the District with any officer or employee of the District, all at such reasonable times and as often as the State Treasurer or such designated person may reasonably request.
- (h) The District will not make, or permit to be made, any use of the proceeds of the Loan, or of any moneys treated as proceeds of the Loan within the meaning of the Code, or take, permit to be taken, or fail to take any action, which would adversely affect the exclusion from gross income of the interest on the Loan Program Notes by the holders or owners thereof under Section 103 of the Code.
- (i) Except as otherwise provided pursuant to paragraph (j) of this Article, all representations and recitals contained in this Resolution are true and correct, and that the District and its appropriate officials have duly taken, or will take, all actions necessary to be taken by them (if any) for the levy, receipt, collection and enforcement of the Taxes available for the payment of its District Note in accordance with law for the purpose of carrying out the provisions of this Resolution and the District Note.
- (j) The following representations are true and correct unless, prior to the Closing Date, one of the Authorized Officers of the District notify the State Treasurer in writing to the contrary:
  - (i) Neither the issuance of the District Note, nor the fulfillment of or compliance with the terms and conditions hereof, nor the consummation of the transactions contemplated hereby, conflicts with, results in a breach of or violates any of the terms, conditions, or provisions of any law, regulation, court decree, resolution, agreement or instrument to which the District is subject or by which the District is bound, or constitutes a default under any of the foregoing.
  - (ii) The District has experienced an ad valorem property tax collection rate of not less than 90% of the aggregate amount of ad valorem property taxes levied within the District in each of the most recent three calendar years, and the District, as of the date of adoption of this Resolution and on the date of issuance of

the District Note, reasonably expects to collect at least 90% of such amount for Fiscal Year 2021-22.

- (iii) The District has not defaulted within the past five years, and is not currently in default, on any debt or material financial obligation.
- (iv) The District's most recent audited financial statements present fairly the financial condition of the District as of the date thereof and the results of operation for the period covered thereby. Except as has been disclosed to the State Treasurer, there has been no change in the financial condition of the District since the date of such audited financial statements that will in the reasonable opinion of the Authorized Officers materially impair its ability to perform its obligations under this Resolution and the District Note.
- (v) The District Disclosure Documents, other disclosures by the District pursuant to Section 2.06 hereof, and cash flow projections and ongoing reports pursuant to Section 3.03 hereof, have been and will be prepared consistent with generally accepted accounting principles as applicable to governmental entities. Further, the District's budget and financial accounting policies and procedures are in compliance with State law, including but not limited to, Title 22, Articles 44 and 45, of the Colorado Revised Statutes.
- (vi) There is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, arbitrator, governmental or other board, body or official, pending or, to the best knowledge of the District, threatened against or affecting the District questioning the validity of any proceeding taken or to be taken by the District in connection with the District Note or this Resolution, or seeking to prohibit, restrain or enjoin the execution, delivery or performance by the District of any of the foregoing, or where an unfavorable decision, ruling or finding would have a materially adverse effect on the District's financial condition or results of operations or on the ability of the District to conduct its activities as presently conducted or as proposed or contemplated to be conducted, or would materially adversely affect the validity or enforceability of, or the authority or ability of the District to perform its obligations under, the District Note or this Resolution.

#### ARTICLE VI

#### **DEFAULTS AND REMEDIES**

#### Section 6.01. Defaults and Remedies.

- (a) The occurrence of any of the following shall be an "Event of Default" with respect to the District Note and this Resolution:
  - (i) a failure by the District to pay the Principal Amount in full under the District Note on or before the Maturity Date;
  - (ii) the default by the District in the performance or observance of any covenant, agreement or obligation of the District under this Resolution (other than

subparagraph (a)(i) of this Section) and the failure to cure such default within 10 days after the earlier of the date that (A) the District furnishes notice of a default to the State Treasurer or (B) the District receives written notice of default from the State Treasurer:

- (iii) other than as provided in paragraph (j) of Article V herein, any warranty, representation or other statement by or on behalf of the District contained in this Resolution or in any certificate, requisition, report or any other instrument furnished in compliance with or in reference to this Resolution or the District Note is false or misleading in any material respect; or
- (iv) the District shall (A) apply for or consent to the appointment of a receiver, trustee, liquidator or custodian or the like of itself or of its property, (B) admit in writing its inability to pay its debts generally as they become due, (C) make a general assignment for the benefit of creditors, or (D) be adjudicated as bankrupt or insolvent.
- (b) If an Event of Default has occurred and is continuing pursuant to subparagraph 6.01(a)(i), the statutory remedy of the State Treasurer is to notify the County Treasurer that the District is in default on its obligation to pay its Payment Obligation and the amount of the Payment Obligation. Pursuant to the Loan Program Statutes, the County Treasurer thereafter shall withhold any Default Taxes to be received by the District and in the possession of the County Treasurer in the amount of such unpaid Payment Obligation, and transmit such moneys to the State Treasurer. If the amount of Default Taxes to be received by the District and in the possession of the County Treasurer at the time such notice is given is less than the amount of the Payment Obligation, the County Treasurer shall withhold additional Default Taxes to be received by the District and in the possession of the County Treasurer until such time as the Payment Obligation has been paid to the State Treasurer in full.
- (c) Upon the occurrence of any Event of Default, the State Treasurer may take any action at law or in equity to enforce the performance or observance of any other obligation, agreement or covenant of the District, and to enforce the levy, liens, pledges and security interests granted or created under this Resolution. No remedy herein conferred upon or reserved to the State Treasurer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power occurring upon any Event of Default shall impair any such right or power or be construed to be a waiver thereof, and all such rights and powers may be exercised as often as may be deemed expedient.

**Section 6.02. Limitation on Waivers**. If this Resolution is breached by the District and such breach is waived, such waiver shall be limited to the particular breach so waived and shall not be deemed a waiver of any other breach hereunder.

#### **ARTICLE VII**

#### **AUTHORIZATION OF ADDITIONAL ACTIONS**

The Superintendent of the District and the Chief Financial Officer of the District are hereby designated as Authorized Officers under this Resolution, and they, each of the officers of the Board or any of them are authorized to take any and all action necessary to carry out and consummate the transactions described in or contemplated by the instruments approved hereby or otherwise to give effect to the actions authorized hereby and the intent hereof. Such authority shall include the authority to submit an executed copy of this Resolution to the State Treasurer and to certify to the accuracy and completeness of any materials and information regarding this District that may be used or useful in enabling the State Treasurer to obtain a credit rating on the Loan Program Notes or in the marketing of the Loan Program Notes. If any officer, official or employee of the District whose signature shall appear on any certificate, document or other instrument shall cease to be such officer following the execution of, but prior to the delivery of, such certificate, document or other instrument, such signature shall nevertheless be valid and sufficient for all purposes as if such officer had remained in such office.

#### **ARTICLE VIII**

#### PROVISIONS OF GENERAL APPLICATION

**Section 8.01. Amendments**. This Resolution may be amended only with the written consent of the State Treasurer.

**Section 8.02. Preservation and Inspection of Documents**. All documents received by the District under the provisions of this Resolution shall be retained in its possession and shall be subject at all reasonable times to the inspection of the State Treasurer and the State Treasurer's assigns, agents and representatives, each of whom shall be entitled to make copies of such documents.

**Section 8.03. Parties in Interest**. Nothing in this Resolution, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party, other than the State Treasurer as the sole owner of the District Note, any rights, remedies or claims under or by reason of this Resolution or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Resolution shall be for the sole and exclusive benefit of the State Treasurer.

**Section 8.04. No Recourse Against Officers**. All covenants, stipulations, promises, agreements and obligations contained in this Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the District, and not of any member of the board of education, officer, employee or agent of the District in an individual capacity, and no recourse shall be had for the payment of the District's Payment Obligation or for any claim based thereon or under this Resolution against any member, officer, employee or agent of the District, provided such individual is acting within the scope of their employment or trusteeship and without gross negligence, willful misconduct or malfeasance of office.

**Section 8.05. Proceedings Constitute Contract**. The provisions of the District Note and of this Resolution shall constitute a contract between the District and the State Treasurer, and such

provisions shall be enforceable by mandamus or any other appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrepealable until the Payment Obligation is paid in full.

**Section 8.06. Limited Liability**. Notwithstanding anything to the contrary contained herein, in the District Note or in any other document mentioned herein or related to the District Note, the District shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent of its Payment Obligation with respect to the District Note and to the extent of any liability incurred by the State, including without limitation rebate requirements attributable to the Loan Program Notes, as a direct consequence of the District's fraud or gross negligence in preparing or presenting its financial statements or District Disclosure Documents.

**Section 8.07. Severability**. If any one or more of the covenants, stipulations, promises, agreements or obligations provided in this Resolution should be determined by a court of competent jurisdiction to be contrary to law, then such covenant, stipulation, promise, agreement or obligation shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions of this Resolution.

**Section 8.08. Headings**. Any headings preceding the text of the several articles and sections hereof, and any table of contents or marginal note appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part of this Resolution, nor shall they affect its meaning, construction or effect.

**Section 8.10. Effective Date**. This Resolution shall be in force and effect from and after its passage on the date shown below.

RE: *Tabor's Star Planned Unit Development*, Presentation

#### TOPIC SUMMARY

**Background:** Saunders Company has proposed the Tabor's Star Planned Unit Development to be located at 500 McWethy Drive. Located across from LCIS, the 20 lot subdivision has 19 newly created lots that are impacted by the Lake County Dedication of Land or Payment in Lieu Thereof code.

#### **Topic for Presentation:**

Using the code to determine the fee, 19 newly created single family lots multiplied by \$1032.36 = \$19.614.84.

Deed restricted Community Housing is a high priority in Lake County, offering to waive the fee for each lot that is deed restricted for Community Housing should be considered. If three lots were set aside for this purpose, the fee would be  $16 \log X \$1032.36 = \$16,517.76$ .

# Annual Evaluation of Dr. Bethany Massey, Superintendent, Lake County School District July 2020-May 2021

On May 25<sup>th</sup>, 2021, the Lake County School District R-1 Board of Education held its annual evaluation with Dr. Bethany Massey and discussed her performance over the last 9 months in her first year as superintendent of the Lake County School District. Present were directors John Baker, Eudelia Contreras, Ellie Solomon, and Rod Weston, as well as Superintendent Bethany Massey. As per Board Policy BSR-5, evaluation of the Superintendent happens annually, but followed a different model than typical due to the extenuating circumstances of the year.

#### **Lake County School District Context**

The Lake County School District (LCSD) is comprised of four schools in Lake County, Colorado. The population of Lake County was estimated to be 7,310 people in the 2010 census, with 57% of the population identifying as Anglo and 40% of the population identifying as Latino or Hispanic. Of those in Lake County five years of age or older in 2012, 29.4% were estimated to speak a language other than English. The majority of these are Spanish speaking. In the school district, 70% of students are Hispanic or Latino, 67% qualify for free or reduced lunch, and 35% are considered English-language learners. The number of students in the district is 997.5.

This year, the Colorado Department of Education froze all school ratings from the prior evaluation, due to the inability to provide testing in the spring of 2020 due to state-wide school closures due to the COVID-19 pandemic. As of March 13, 2020, LCSD schools went remote, first for the short-term and ultimately for the remainder of the school year. As a result, all school and district performance ratings were carried forward for the subsequent year and the performance clocks stopped.

CDE rated our high school and the district as "Improvement." Lake County Intermediate School was rated as "priority improvement". West Park Elementary was rated as "Improvement" based on the Federal Identification of Targeted Support. A fourth school (Pitts Elementary) was not given a rating, because only preschool is currently housed at this school and no ratings are given by the state. This school, however, continues to perform well on its evaluations—both internal and external. Ratings for new schools are determined by the local district through the accreditation process. In the fall of 2020, the district approved a rating of "Performance" for Cloud City High School. Because we did not have the ability to measure our growth or proficiency during the 2019-2020 school year, we are looking forward to a better understanding of the efficacy of our COVID year instruction.

#### 2020-2021 Context

The 2020-2021 school year was unprecedented due to many factors, several of which are relevant to the Board of Education's evaluation of Dr. Bethany Massey.

In concluding the tenure of our prior superintendent, the School Board, in conjunction with Dr. Wyman, decided not to encumber an incoming superintendent with someone else's goals, and therefore the Strategic Plan was designed to conclude at the end of the 2019-2020 school year. The intention was to allow an incoming superintendent to learn the district and develop their own strategic plan, based on their understanding of the district's needs.

During our first board retreat with Dr. Massey in July 2020, we agreed to delay the review until the end of the year to allow us to conduct a more complete examination of her first year's work, rather than having her present a retroactive analysis of her predecessor's work, or a half-year's analysis of her own. At that time, it was becoming clear that COVID operational plans might eclipse all other work.

In the spring of 2020, as the COVID-19 pandemic gripped the world, the Board hired Dr. Bethany Massey to serve as our new superintendent. She has done an exceptional job, learning a new district, and developing comprehensive plans to operate school in the reality of a highly contagious, airborne respiratory virus. Those plans iterated numerous times as the school year progressed, responding to feedback from family and staff communities, as well as the needs of both. However, the intensive planning needed for each iteration has meant that other priorities became less so; an early proposal to present a master plan by mid-year was delayed with the approval of the board to allow more time to focus on maintaining normal school operations (or as normal as they might be in the year of COVID!) Therefore, we have been operating without a strategic plan, and this year's review is different than is outlined in our policies.

#### 2020-2021 Evaluation

This year, we asked Dr. Massey to reflect upon her accomplishments, areas of growth, and begin thinking about priorities for the coming year. As a Board, we met with her to review her self-reflection as well as provide our individual thoughts and feedback. As outlined (and concurred by the board), those areas are:

#### 1. Accomplishments

- a. Successfully completing a school year in a pandemic
  - i. "thought outside of the box to work hard to balance contact time with students among distanced practices for health"
  - ii. "provided the instructional time with the second day programming"
  - iii. "reduced class sizes and adjusted practices"
- b. Partnerships in the community in support of same
  - i. Lake County
  - ii. 100 Elk
  - iii. Public Health
  - iv. St. George's Food Pantry
  - v. GOL!

- vi. Early Childhood Coalition
- vii. Full Circle
- c. BEST Grant
  - i. Ongoing building
  - ii. Expanded footprint due to identified need for more classrooms
- 2. Area of growth COVID operations overrode all typical school practices, so there has been less development/understanding of internal relationships than desired
  - a. looking forward to more face-time with staff
  - b. more time in classrooms
  - c. more development of understanding our internal practices
- 3. Next steps
  - a. Strategic Plan have gathered staff & student feedback; concluding the year by gathering family responses. Will aggregate and study themes to create foundational guiding document.
  - Instructional work data analysis, literacy audit, identifying necessary next steps (math audit, supports for English learners, other groups not currently well supported, what other levers might we be using for improved performance.)
  - c. DAC need to draw representatives from all required stakeholder groups, begin meeting to advise Board, Admin & other planning groups.
  - d. Budget & Master planning want to be better informed by data for budget planning

During our discussion, the board echoed an appreciation for the successes of a challenging year. The hybrid model with an option for remote only instruction allowed students and families to pick the option in which they were most comfortable. The hybrid model included outdoor ed options for K-6 during the first 6 weeks of school, and then in-person second-day offerings provided by many of those instructors. The 3-6 graders had daily instructional time with their CREW teachers starting in October. And after many quarantines, the high school created an operating plan that provided more consistency, if less direct face time for larger groups. The fourth quarter of the year, post vaccination, brought K-5 grades into larger cohorts for daily instructional time. Throughout all of the changes, the school was not the primary vector for COVID transmission. While classes, cohorts and at times buildings were forced to go "red" due to COVID exposure, LCSD provided a remarkably consistent educational experience for our students.

The Board also reflected upon our hopes for the 2021-2022 school year, and where our energies might be redirected. These hopes include the following:

- An improved relationship with the Latinx community
- Increased community outreach about the superintendent role (who is Dr. Massey & what does she do in LCSD)
- Continuing our health and racial equity work
- Focus on early literacy to build a life-long foundation state scores suggest that 55% of students fall in the bottom categories
- Team building improving working relationships with staff after a predominately remote year
- Strategic planning to underpin all other Board work
- Returning to EL as a cornerstone of our educational practices.

Overall, the LCSD School Board is appreciative of the extremely hard work it has been to lead a new district through a pandemic and is looking forward to the normalcy that may be possible in the fall.
