Dear LCHS 9th-12th Parents/Guardians,

Lake County High School will be making one small change to this year's calendar due to state testing. On Wednesday, April 13, 2022, we are cancelling in person school for grades 9, 10 and 12. LCHS will be conducting SAT for 11th graders. 11th graders will be released early upon their completion of the assessment. There will be no busses running for early release and if your student requires school transportation, they will have an alternative activity for the afternoon until busses run at normal scheduled time. There will still be Crew for Grades 9 and 10 and asynchronous work due for grades 9, 10, and 12 on this day.

There will be no in person school for grade 12 on April 14, 2022. LCHS will be conducting PSAT for grades 9 and 10 on this day and CMAS for grade 11. Grades 9, 10, and 11 will be released early on this day upon their completion of the assessments. There will be no busses running for early release and if your student requires school transportation, they will have an alternative activity for the afternoon until busses run at normal scheduled time.

Students in Grades 9, 10 and 11, who have testing accommodations will be required to attend on both April 13 and 14th. Students with accommodations will be notified and will be released early from school both days.

School for grades 9-12 will run as normal schedule Monday, April 11, 2022, and Tuesday, April 12, 2022, and again starting Monday, April 18, 2022.

If your student is enrolled in a CMC course at the CMC campus, they must attend their class as normal on these days if they are not scheduled for testing.

If you have any questions, please contact the front office to set up a meeting with the school principal or the counseling department.

More information regarding assessments can be found at: [www.lakecountyschools.net/assessment](http://www.lakecountyschools.net/assessment)

Thank you for the opportunity to work with your student!
