

## Works Well

- work/life balance for students and staff
- project dream opportunities
- consistency
- Fridays are a great opportunity for those who need/want to catch up on work that can't get done during contract time
- Bus drivers can get extra opportunities for Friday compensation
- retention of staff

## Challenges

- working Fridays after those Monday holidays
- shorter summer
- extended school year is hard on staff and students. + attendance
- no fall break causes burn out
- If we scratched MLK and Prez day we could get back those 2 days for Thanksgiving break? add students Miss Friday <sup>Colony 901</sup>
- 1/2 Kids and 1/2 conferences are hard for staff and students. would love  $\geq$  full day conferences
- hard to have graduation in June
- extended time added to current days = can still get out by memorial day
