

WORKS well

- 3 Day weekends for Teachers, Students and families
- Teachers see less Summer slide from Students, students retain more learning
- Time to play in all seasons
- Student athletes miss less school
- less teacher burn out ✓✓✓
- One week day to do errands/appointments
- Project Dream support on Fridays
 - never had to turn kids away
 - Credit recovery
- CMC Classes on Fridays and Student internships
- Local businesses can have employees on Fridays

Challenges

- * 4 day weekend (Mon Holiday) into a 2 day weekend
 - Tuesday through Friday
- * Shorter Summer
 - o we go back during peak tourist season
 - o Parents are working more
- Could we start later? (Sept?)
- * School in June - is long
- * 3 day Thanksgiving (not long enough)
 - Historically bad attendance on M/T
- * Monday Holidays - Tuesday starts are difficult
 - Fridays have lower attendance
 - CMC / Internships conflict
- * Spring Break - Tourism Industry
 - Shift it earlier/later
- * Half day conferences
 - long days for teachers
- * Fall Semester is shorter than Spring
