

WORKS WELL

- Love 3 day weekends
 - easier to get away on trips with family
- Some times 4 day weekends
- Fridays off allow for sports/school activities
- Shorter summer aids student learning retention

Challenges

- * Attendance is low the Friday after a holiday
- child care on Fridays
- Short Thanksgiving break
 - Can make travel plan challenging
- Fall semester much shorter than spring semester
- AFSME by Contract has Good Friday Off
- hard to keep concentration/engagement in June
