

Dear Parent/Guardian of a 7th-12th Grade Lake County High School Student,

Spring is upon us and brings our state testing window. We will be completing the majority of the testing between April 8th and April 17th. Please find below a schedule of when testing will be administered.

In addition, please visit www.lakecountyschools.net/assessment for more information. This page includes resources to answer questions about state assessments and provides links to our Administrative policies regarding assessments.

Lake County High School Testing Schedule 2024

Grades Testing	Test	Testing Dates (All dates are subject to change)
11 th Grade	SAT	Monday, April 15, 2024 (morning)
11 th Grade	CMAS Science	Thursday, April 11, 2024 (morning)
10 th Grade	PSAT10	Wednesday, April 17, 2024 (morning)
9 th Grade	PSAT9	Wednesday, April 17, 2024 (afternoon)
8 th Grade	CMAS ELA & Math	Monday, April 8, 2024 (morning and afternoon) Tuesday, April 9, 2024 (morning and afternoon) Wednesday, April 10, 2024 (morning and afternoon)
8 th Grade	CMAS Science	Thursday, April 11, 2024 (afternoon) Monday, April 15, 2024 (afternoon) Tuesday, April 16, 2024 (afternoon)

To ensure less disruptions to the school day and better testing attendance, we are holding regular school during testing days. When students are not testing, they will be attending their classes. There will not be early release or asynchronous days for grade levels not testing like we have done in previous years.

All tests are on the computer this year and the SAT and PSAT tests are shorter than previous years. Please remind your student to bring their chromebook and charger each day.

We will do a digit readiness check this week with students. 9th on the 26th, 10th on the 27th and 11th grade on the 28th. 11th grade students will have an opportunity to complete additional information with College Board regarding scholarship information and sending their results to colleges. 11th grade students will need the attached form to be signed and returned by Thursday to complete the optional portion.

We appreciate your help in ensuring students are at school and well-rested on assessment days.

If you have any questions, please contact the front office to set up a meeting with Lindsey Cade, the testing coordinator for the high school.

Thank you for the opportunity to work with your student!

Lake County High School

Estimado padre/tutor de un estudiante de secundaria del condado de Lake de grados 7.º a 12.º,

La primavera está sobre nosotros y trae nuestra ventana de pruebas estatales. Completaremos la mayoría de las pruebas entre el 8 y el 17 de abril. A continuación encontrará un cronograma de cuándo se administrarán las pruebas.

Además, visite www.lakecountyschools.net/assessment para obtener más información. Esta página incluye recursos para responder preguntas sobre evaluaciones estatales y proporciona enlaces a nuestras políticas administrativas con respecto a las evaluaciones.

Para garantizar menos interrupciones en el día escolar y una mejor asistencia a los exámenes, tendremos clases regulares durante los días de exámenes. Cuando los estudiantes no estén tomando exámenes, asistirán a sus clases. No habrá salida temprana ni días asincrónicos para los niveles de grado que no toman exámenes como lo hemos hecho en años anteriores.

Este año todos los exámenes se realizan en computadora y los exámenes SAT y PSAT son más cortos que en años anteriores. Recuerde a su estudiante que traiga su Chromebook y su cargador todos los días.

Esta semana haremos una verificación de preparación de dígitos con los estudiantes. 9º el 26, 10º el 27 y 11º grado el 28. Los estudiantes de 11º grado tendrán la oportunidad de completar información adicional con College Board sobre información de becas y enviar sus resultados a las universidades. Los estudiantes de 11º grado deberán firmar el formulario adjunto y devolverlo antes del jueves para completar la parte opcional.

Apreciamos su ayuda para garantizar que los estudiantes estén en la escuela y descansados bien los días de evaluación.

Si tiene alguna pregunta, comuníquese con la oficina principal para programar una reunión con Lindsey Cade, la coordinadora de pruebas de la escuela secundaria.

¡Gracias por la oportunidad de trabajar con su estudiante!
