The board's meeting time is dedicated to its strategic mission and top priorities. • The "consent agenda" has items which have either been discussed prior or are highly routine. By not discussing these issues, we are able to spend time on our most important priorities. • "Public participation" is an opportunity to present brief comments or pose questions to the board for consideration or follow-up. Time limits are 3 minutes for individual speakers if fewer than 20 individuals have signed up to speak; 2 minutes' limit and 5 minutes for groups of 20 signed up; and 1 minute for individual and 3 minutes for groups if more than 30 have signed up to speak. Please see Board Policy GP-14 (Governance Process) for the full policy. The boundaries are designed to help keep the strategic meeting focused and in no way limits conversations beyond the board meeting. • Your insights are needed and welcomed and the board encourages you to request a meeting with any board member, should you have something to discuss. • If you are interested in helping the district's achievement effort, please talk with any member of the leadership team or call the district office at 719-486-6800. Opportunities abound. Your participation is highly desired.
